

THE CIRCULAR PRODUCT

One step closer to circular economy

About Us

The Circular Product is a design-led sustainability brand creating elevated everyday objects from recycled materials.

We partner with forward-thinking companies transform gifting into meaningful & eco-conscious experiences.

Our Vision

We re-invent plastic waste that ends up in land fills.

Shredded industrial plastic waste are upcycled into innovative products using injection moulding process.

Our vision is to make *sustainability accessible to everyone.*

A second life!

Sourcing of Shredded
Industrial Plastic Waste

Reimagined into durable,
elevated, long-lasting design

Upcycled into beautiful
recycled & recyclable
products
